Munster High School Junior Scholar:

Students in the Munster High School Class of 2020 will take the PSAT/ NMSQT on October 10. For high-ability juniors, this exam is a qualifier for the National Merit Scholarship, the most prestigious of academic awards. Colleges, universities and corporations award scholarships based on the results of this exam. Giving Munster High School juniors the competitive edge for more than two decades, ExcelEdge looks forward to sharing **PSAT 1520** with the Class of 2020.

Give yourself the Edge. A leader in Midwest test preparation, ExcelEdge has meticulously analyzed this College Board exam to insure students receive a highly specialized program tailored to the PSAT/ NMSQT. You can count on experienced instructors who are certified content specialists to teach you point-producing offensive and defensive strategies to navigate difficult items. Our teaching team will show you exactly what to expect on this test. We will teach you how to eliminate choices, how to answer items quickly, and how to maximize your score. We will teach you how to think like the test maker. To see what our schools, our parents, and the graduates of our program have said, please visit our web site: www.exceledgeinc.com.

Expect results. Students with outstanding grades in their freshman and sophomore years have the potential to be competitive for National Merit Scholarship Program recognition. Data that compares results from sophomore year to junior year proves that National Merit Semifinalists and Commended Scholars who have participated in **PSAT 1520** have doubled their growth in scores predicted by the College Board. While we are recommending that **honors** juniors enroll in **PSAT 1520**, we welcome other interested juniors.
